

Business Card Holder *Guideline* Graph Paper **For Delica(r) beads, size 11/0** Flat Even Count Peyote Stitch String on 64, do 54 rows. ODD COUNT might look a little closer to the edges of the recessed area. It is your choice. The graph is for Even Count. Add a column to the left side (an up column) for Odd Count. If you modify the graph to Odd Count, string on 65, and do 54 rows. Remember, you can do brick stitch, embroidery, free form peyote, RAW, etc. on this project.
